Chairmans Comments! "What do you want from your League?"

The pairs, Challenge Shield and Divisionals have historically been run and until recently have been well supported. Now the Pairs and Challenge Trophy have been stopped through lack of support, and entries for the Divisionals have been poor in certain divisions. The League is run for its members, so I would be interested in knowing why competitions are not being supported, or whether you want different types of competitions.

Finally, I must stress that team secretaries must pass on any information they get to their team-mates, as they can only enter a competition if they know that its on!

Competitions!

The Handicap Best Pairs competition will not be played this season as there has been a very poor response. With very few taking the trouble to enter it means that yet another competition will not take place.

Divisional Championships

This seasons divisionals will be held on Sunday 31/01/2010 at The Table Tennis Centre St. Austell. Closing date strictly 23/01/2010.

Please see enclosed entry form For details.

Can we have good support or else the competition will not be viable. This competition is open to all league registered players.

Alan Knight Tournament

Will be played on Sunday March 7th. 2010.

Entry forms will be sent out later. This tournament is only open to 3rd. Division teams and novices.
