New Sponsorship

The Committee are very pleased to announce a new Sponsorship for the League and the Player of the Month Trophies for this season. Our thanks go to Ignition Credit PLC of Threemilestone Business Park Truro. Tel. 01872 272900

Steve Hunt who is a Director of the Company has been a member of the Peoples Palace team for many years and tells us that the company specialises in motor finance etc. The League Committee is very grateful for this sponsorship and we look forward to a successful and mutually profitable season.

Competitions!

In the new season the Committee have agreed to run the following competitions.

The Handicap (Best) Pairs has in the past been very popular. Details are in the handbook and forms will be sent out shortly.

Owing to lack of entries in recent years the Challenge Shield trophy has been cancelled for this season.

The Divisional Championships will be run again this season in late January/early February 2010.

Last year there were some divisions that had a Very small entry. Remember this is the Leagues only all day event and needs your support if it is to be continued in the future.

Player of the month

The seasons first winner of the new Ignition Credit PLC player of the month is Danny Mitchelmore of St. Austell "B" following some excellent performances in the premier division Congratulations!

Grants Available!

See attached memo from Sport England. ("A" team sec's only)
